Manually uninstall Freeway Express step by step: Most applications in Mac OS X are bundles that contain all, or at least most, of the files needed to run the application, that is to say, they are self-contained.. But if you are trying to uninstall Freeway Express in full and free up your disk space, removing all its components is highly necessary.. However, instead of installing it by dragging its icon to the Application folder, uninstalling Freeway Express may need you to do more than a simple drag-and-drop to the Trash.. Open Activity Monitor in the Utilities folder in Launchpad, and select All Processes on the drop-down menu at the top of the window.. Terminate Freeway Express process(es) via Activity Monitor Before uninstalling Freeway Express, you'd better quit this application and end all its processes.. [Softpress - OX29 8LH Witney, Oxfordshire - Rated 5 based on 6 Reviews](#) 'Freeway Pro is truly the best web design software since Adobe GoLive.. Thus, different from the program uninstall method of using the control panel in Windows, Mac users can easily drag any unwanted application to the Trash and then the removal process is started.. For the applications that are installed from the App Store, you can simply go to the Launchpad, search for the application, click and hold its icon with your mouse button (or hold down the Option key), then the icon will wiggle and show the "X" in its left upper corner.. Select the process(es) associated with Freeway Express in the list, click Quit Process icon in the left corner of the window, and click Quit in the pop-up dialog box (if that doesn't work, then try Force Quit).. Open the Applications folder in the Finder (if it doesn't appear in the sidebar, go to the Menu Bar, open the "Go" menu, and select Applications in the list), search for Freeway Express application by typing its name in the search field, and then drag it to the Trash (in the dock) to begin the uninstall process. ae05505a44 [How To Open Dmg File In Windows 7](#)
